Proposed Sewer & Water Facilities _____

For a New Building or Enlargement of Foundation, please provide a sketch on the back of this application of the proposed building and also a sketch of the lot with the proposed building and any other buildings that are located on the lot. For a new location, if the property is located on a state highway or road, a road/street entrance permit will be required from the State Department of Transportation. If located on a Town of Winn Street/Road, permission will be required from the Board of Selectmen. An approved HHE 200 form (soil test) will be required for all new homes built or placed on a lot. The addition of a bedroom may also require a new soil design.

I have read and understand the Building Code of the Town of Winn and agree to abide by it.

I hereby declare that the above information is accurate to the best of my knowledge.
